

SALGA presents the annual Municipal Suppliers Directory. This directory lends itself to be an invaluable municipal procurement practitioner's definitive directory. It is a must for businesses that would like to showcase their products and services to all the municipalities across the country.

Municipal Suppliers Directory is a catalogue showcasing professional-services companies that have business relations with local government.

We'll focus on four specific sectors in each edition:

- energy
- professional services
- transport
- water and sanitation.

Copies are distributed to:

- municipal managers
- municipal engineers
- the executive manager in each municipality
- procurement managers
- supply chain managers
- city and town planners
- chief financial officers

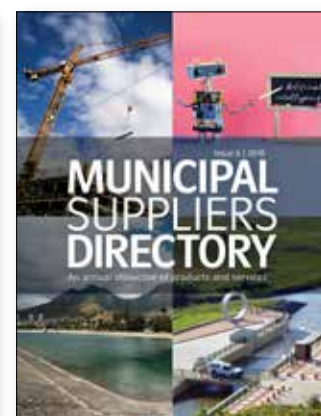

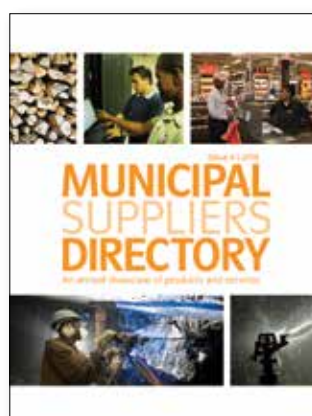

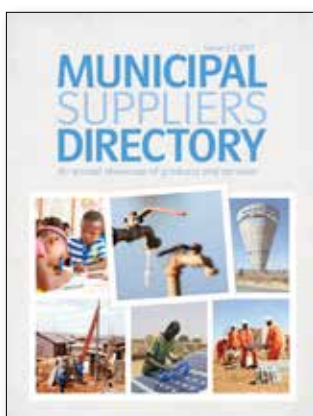

Publication available online at www.businessmedialive.co.za

SALGA metropolises and municipalities spend a combined R100-billion per annum on procuring products and services. The *Municipal Suppliers Directory* is distributed with the *SALGA Voice of Local Government* magazine and is a highly effective channel for service providers to showcase their goods and services to procurement managers, chief financial officers and municipal managers within all the municipalities across the country.
